

COVID Case Protocol for 2021-2022 School Year

People are considered fully vaccinated:

- ≥ 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or
- ≥ 2 weeks after a single-dose vaccine, such as Johnson & Johnson’s Janssen vaccine
- Booster shots are received when available and advised

**Faculty/students are considered unvaccinated until evidence of vaccination and/or evidence of having COVID disease is provided.
